J. Isaac Gabizon

Born in Casablanca, Morocco into a traditional Jewish orthodox family, J. Isaac came to know Yeshua in 1976 through messianic prophecies concerning the end-times. End time prophecy has always been a passion for him. He is Messianic Leader (Pastor) of the Beth Ariel congregation in Montreal and is also the Canadian Director of Ariel Ministries. He is heard on two radio stations in Montreal, as well as on a number of U.S. radio stations, on OnePlace.com and on Israel College of the Bible’s satellite radio. He has been married to Sharon for 41 years and has 4 children and 9 grandchildren.

Eric Barger

Since 1983 Eric Barger has crisscrossed North America teaching and evangelizing. His "no compromise" discernment-based messages have been heard in numerous conferences, churches, and Bible colleges across a wide spectrum of denominations. The author of several books and countless articles, Eric has been a voice of biblical truth through hundreds of media and print interviews. First hosting his own weekly “Take A Stand! Radio” broadcast, Eric is now a part of the broadcast team “Understanding the Times Radio” with author and popular commentator, Jan Markell.

Mike Gendron

For over 34 years, Evangelist Mike Gendron was a devout Roman Catholic and a strong defender of the "one true church." However, in 1981 while attending an evangelical seminar, he realized the Bible is the supreme authority for knowing truth. God granted him repentance and he exchanged his religion for a relationship with His all-sufficient Savior. In 1988 he left a successful career in corporate management to study at Dallas Theological Seminary. During his last semester at DTS, Mike and his wife Jane’s love for Catholics inspired them to begin a ministry that would point Catholics to the Lord Jesus Christ as their all-sufficient Savior. For 30 years, Mike has been directing the ministry of “Proclaiming the Gospel” and preaching throughout the world.

Important News about the 2021 Conference

The Last Days Bible Conference has been held in a variety of locations in Calgary every spring since 2002. Next year we will be moving again, this time out of the city of Calgary.

The 2021 Conference will be held at Olds College, located in the town of Olds, approximately one hour north of Calgary. More information about the move and the reasons for it will be shared during the conference this year.
